Review

Thomas Keymer provides a splendid introduction and richly explanatory endnotes (co-written with James Kelly (*Adam Potkay, Recent Studies in the Restoration and Eighteenth Century*) From the Publisher

Contains an 8-page plate section with long-unavailable pictures and drawings relating to Daniel Defoe and Robinson Crusoe. Thoroughly edited and extensively annotated. Includes a 10,000-word section on Daniel Defoe's life and works, with a longer chapter on Robinson Crusoe, anecdotes, critical perspectives, adaptations and spin-offs. Lavishly produced on natural, high-quality paper, and affordably priced. From the Inside Flap

Daniel Defoe relates the tale of an English sailor marooned on a desert island for nearly three decades. An ordinary man struggling to survive in extraordinary circumstances, Robinson Crusoe wrestles with fate and the nature of God. This edition features maps.
