**A Caldecott Medal winner**

"This translation of Keats's original Caldecott Medal winner captures the physical and emotional experiences of Peter and his delight in a snowfall."--*School Library Journal* About the Author

Ezra Jack Keats (1916-1983) is the Caldecott Medal winning author of *The Snowy Day*, which broke ground in 1962 as one of the first picture books for young children to portray a realistic, multi-cultural urban setting. Since its initial publication, *The Snowy Day* has come to be regarded as both a children's classic and one of the most important picture books ever written/illustrated. Ezra Jack Keats' legacy lives on in the popularity of his most famous character, Peter--the star of *The Snowy Day*, *Whistle for Willie*, *Peter's Chair*, *A Letter to Amy*, *Goggles*, and others.
