Présentation de l'éditeur

This delightful annual parade of poultry features incredible photographs of chickens at their best in all breeds, shapes and sizes from Silver-spangled Hamburgs and Birchen Frizzle Cochins to Cubalaya chicks. This year's charming 16-month wall calendar includes many previously unpublished photographs. No question, these funny and freaky fowl personify chicken fancy from oversized, coral-like combs to fluffy feathers to beaks speckled and lace-patterns. *Biographie de l'auteur*

Besides chickens and pigs, Stephen Green-Armytage has photographed well-known politicians, athletes and other celebrities. His work has appeared in numerous periodicals, including Sports Illustrated, Life, Fortune, Smithsonian, and Good Housekeeping. He is the author and photographer of many Abrams books, including Extraordinary Chickens, Dudley: The Little Terrier That Could, and Extra Extraordinary Chickens. He lives in New York City.
